

Wednesday 24 November 2021 – Morning

GCSE (9–1) Geography B (Geography for Enquiring Minds)

J384/02 People and Society

Time allowed: 1 hour 10 minutes

You must have:

• the Resource Booklet (inside this document)

You can use:

- a ruler (cm/mm)
- · a scientific or graphical calculator

								\
Please write cle	arly in blac	k ink. C	o no	t writ	e in the barcodes.			
Centre number					Candidate number			
First name(s)								
Last name								,

INSTRUCTIONS

- Use black ink. You can use an HB pencil, but only for graphs and diagrams.
- Write your answer to each question in the space provided. If you need extra space use the lined pages at the end of this booklet. The question numbers must be clearly shown.
- · Answer all the questions.

INFORMATION

- The total mark for this paper is 62.
- The marks for each question are shown in brackets [].
- Quality of extended response will be assessed in questions marked with an asterisk (*).
- Spelling, punctuation and grammar (SPaG) and the use of specialist terminology will be assessed in questions marked with a pencil ().
- This document has 16 pages.

ADVICE

· Read each question carefully before you start your answer.

SECTION A

Answer all the questions.

Urban Futures

	-	ig. 1 in the separate Resource Booklet, which shows the share of the total population urban areas between 1986 and 2016.				
(a)	(i)	Wh	ich of the following statements is correct?			
		A	All countries experienced a fall in the share of their population living in urban areas			
		В	Between 1986 and 2016 the share of the population of China living in urban areas more than doubled.			
		С	In the year 2006 over half of Bangladesh's population was living in urban areas.			
		D	The USA experienced the biggest increase in the share of the population living in urban areas.			
		Wri	te the correct letter in the box.			
	(ii)	app	te an alternative way of presenting the data in Fig. 1 and justify why this would be propriate.			
(b)	Exp	 lain	how two push factors may result in migration from rural to urban areas in LIDCs.			
	1					
	2					
	livir	(ii) (b) Exp	(a) (i) Whi A B C D Writ (ii) Star app (b) Explain 1			

.....

.....[4]

(c) CASE STUDY – ways of life in cities

Name of LIDC or EDC city:
Examine the effects of migration on an LIDC or EDC city which you have studied.
[6]

Dynamic Development

2	(a)	Whi	ich of the following statements best describes an advanced country?
		Α	a country which has a high amount of patients per doctor
		В	a country which has a high birth rate
		С	a country which is rapidly becoming richer
		D	a country which is wealthy and has a wide range of jobs and services
		Writ	te the correct letter in the box. [1]
	(b)		dy Fig. 2 in the separate Resource Booklet, which shows a world map with Human relopment Index (HDI) scores.
		Des	scribe the pattern of HDI scores shown in Fig. 2.
			[3]
	(c)		dy Fig. 3 in the separate Resource Booklet, which shows a graph of HDI scores of ected countries.
		Ву	now much has the HDI for India increased between 2000 and 2017?
			Answer[1]

(d*) CASE STUDY – LIDC development

Name of LIDC country:
Explain how the wider political, environmental and social context affected the development of your named country.
[8]
Spelling, punctuation and grammar and the use of specialist terminology [3]

UK in the 21st Century

- **3** (a) In 2015/16 the UK made £10 million from media exports to Japan. By 2016/17 this had increased to £15 million. How can this ratio be expressed in its simplest form?
 - **A** 1:3
 - **B** 2:3
 - **C** 5:10
 - **D** 10:15

Write the correct letter in the box. [1]

The flow line map below shows the number of people travelling to an office in the economic hub of Birmingham and where they have commuted from.

2 mm = 1 person ★ = Birmingham

(b) (i) Add a flow line using the data below.

Place travelled from	Number of people
Sheffield	3

[2]

Birmingham. There are 50 employees who work in the office.

The flow line map shows the location of employees in the office who live outside of

		How many employees live in Birmingham? Show your working out.	
(c)	Nar	me an economic hub which you have studied.	[2]
	(i)	Identify two changes which have happened in this economic hub.	
		1	
		2	[2]
	(ii)	Explain why your named economic hub is significant to its region.	
			[6]
			[v]

Resource Reliance

4	(a)	Exp	lain how the mechanisation of farming has increased food production.
			IO.
	(b)		dy Figs. 4 and 5 in the separate Resource Booklet, which show information on commerciaing.
			ng Figs. 4 and 5 , explain two ways that commercial fishing may have a negative impac the environment.
		1	
		2	
			[4
	(c)		y might a small-scale 'bottom-up' approach to achieving food security be environmentally tainable?
		Α	Governments can help local businesses if they are struggling.
		В	Local shops and restaurants can import food from other countries.
		С	Locally grown food can be sold to local shops and restaurants.
		D	Small businesses can sell their produce all over the world.
		Wri	te the correct letter in the box.

(d)	Malthus and Boserup both had theories about population growth and food supply. Evaluate how similar the Malthus and Boserup theories are.
	aı

10

SECTION B

Answer all the questions.

Human Geography Fieldwork

(i)

5 (a) Some GCSE geography students are carrying out an enquiry to investigate the impact of building a new housing development on the edge of a town. Here is part of the questionnaire which they used.

1. What is your age?	Under 17	18–30	31–64	65+	
Results	0	16	12	5	

2. What should the developers focus on for the new housing development?	Cheap housing	Environmental sustainability	Good car and bus links	Nearby supermarkets
Results	2	20	8	3

iggest two other questions that the students could ask in their questio	nnaire.
	1
	[4]

(ii) Draw an appropriate graph to display the data gained about what developers should focus on for the new housing development.
